KWON 
TOUCH THE SPIRIT

40 years KWON

From 1976 onwards Taekwondo trainer Günther Schramm (4th Dan) imported and sold martial art goods through his company Schramm Sport.

40 years ago in 1980 the brand was officially registered under the trademark **KWON** .

Kwon USA Inc. was founded by Schramm Sport in 1993 and is based in Grand Rapids, Michigan.

Followed by the purchase of Sport Rhode with its well-known brands **DANRHO**® and **RHODETATAMI** in 1999. To this day all associated products of these labels are presented within our separate catalogue of DANRHO.

Edmund Schramm (3rd Dan Taekwondo, 1st Dan Kick-Boxing) took over the business by the year 2006. The subsidiary company Kwon China was established shortly afterwards. Between 2010 and 2019 there followed the transformation of Schramm Sport into Kwon with the integration of Sport Rhode, as well as additional company acquisitions or foundations of the special brands “Fightnature”, “Legion Octagon”, “Kwon Professional Boxing” and our event and training brand “KWON Academy”.

In 2020 we will be celebrating the 40th anniversary of Kwon.

We would like to take this opportunity to thank all our customers, partner associations and athletes for the trust and confidence you have shown in us. We look forward to the next 40 years in which we are honoured to support you as a fair, reliable and competent partner.

With this in mind we hope you will now enjoy reading this 40th anniversary Kwon catalogue.

Many greetings from Germany,

Edmund Schramm
and the entire Kwon team

Martial Arts shoe Phantom

The comfortable and well-fitting sports shoe is very versatile due to the durable and high-quality artificial leather. Both as a taekwondo shoe as well for karate, kung-fu, tai chi, wushu or qigong or as a casual shoe. The ventilation holes on the instep and on the side ensure good ventilation and wearing comfort. The entire insole is extra thin to provide a good barefoot feel while providing the ground contact necessary for performing techniques. The sole is divided into three parts. Heel area and forefoot are made of soft black rubber, which provides optimal support. The soft upper and the side lacing reduce the risk of injury to the partner.

Sizes 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46

Roll mat

The KWON Roll mats are made of highly damping, 2,5 cm thick XPE foam. The specially processed vinyl has a surface pattern with the smallest grooves, which are not visible to the naked eye, but have strong anti-slip properties, which allow a high speed of entry of the athlete. In addition, the risk of mat burn is reduced. The mats are connected by means of Velcro on the sides of each mat. The Roll mat is 7,5 meters long, 1,5 meters wide and 2,5 cm thick. Rolled up they have a diameter of 70 cm.

4 mats can be rolled up and packed on a Euro pallet or the mat rolled up vertically fits in any conventional van with a ceiling height of over 1,6 meters. The mats can be customized (cut to size). For an area of 7,5m x 7,5m you need 5 mats.

KWON Professional Boxing Sparring offensive glove

Made from 100% of the best cowhide. The glove features particularly thick protective padding on the front of the target area. The slender form of the glove invites to penetrate the defensive cover of the opponent. This glove is therefore perfect for offensive boxing athletes who hit a lot and hard during their sparring sessions. The comfort inside is excellent with enough padded space for the bandaged hand. With pre-curvedure of the foam in form of a fist. With Velcro fastener.
Available in 12oz, 14oz, 16oz and 18oz

KWON Professional Boxing Sparring defensive glove

Made from 100% of the best cowhide. This is a heavily padded glove. The resulting shape of the glove is therefore perfectly suited for more defensive boxing athletes who want to build a tight cover and protect themselves optimally. The glove is also particularly suitable for Kick- or Thaiboxing, with the gloves to ward off high kicks to the head. In addition the hit area is heavily padded as well. The inside is extremely comfortable featuring enough soft space that adapts to the hand-wrapped or bandaged hand. The pre-curvedure of the foam form allows for easy closing of the fist. With Velcro fastener.
Available in 12oz, 14oz, 16oz and 18oz

FIGHTNATURE BJJ suit

The suit impresses with its high-quality workmanship and tear resistance. The 600-gram material of the jacket makes gripping difficult. The jacket is woven very tightly in the pearl weave processing known from the BJJ. The jacket is additionally reinforced at the chest, in the armpits and at the neck for longer durability. The 10oz heavy-duty trousers with a practical drawstring are additionally reinforced throughout the knee area for more comfort and durability. The fabric of the durable pants is woven in a special twill process, which gives the pants a smooth structure. Despite the special narrow BJJ cut the fighter has a high arm and legroom. The Fight JJ 600 suit is produced and designed for Brazilian Jiu-Jitsu competitions and training in accordance with the INTERNATIONAL BRAZILIAN JIU-JITSU FEDERATION (IBJJF) regulations.
